

Welcome

31ST ANNUAL LA GRANDE AFFAIRE

Benvenuto!

We are grateful to be gathered with you for the first time since 2019 at the luxurious JW Marriott Los Angeles L.A. LIVE. Our planning committee has created a night full of fun and surprises, so sit back and experience the delights of Istria with an exquisite five-course meal created by Chef Eric Branger and hand-selected paired wines.

100% of the funds raised tonight will support California Hospital Medical Center (CHMC)'s new patient tower with expanded emergency, trauma, maternity and neonatal intensive care units opening in early 2023.

Our caregivers rose to the challenge each and every day for the past two years to save lives in the most trying of circumstances. Thank you for honoring their efforts by being here tonight, and providing the resources to help us bridge the health disparity gap in Los Angeles and create a thriving community for all.

We are humbled by your support and raise our glasses to you, our sponsors and guests.

Buon appetito!

Halfway through your trip, you will have the opportunity to rejuvenate in the sensational **Albaro Wellness & Spa** with a wellness treatment for you and your guest.

On the night of your choosing, you will enjoy a

romantic dinner at the **Cap Aureo Restaurant** on the fifth floor of the Grand Park Hotel Rovinj. Cap Aureo offers one of the best views of the port and the old town. Modern Mediterranean cuisine is to the fore here with a particular emphasis on Istrian dishes.

California Hospital Medical Center: A healthier future for Los Angeles.

Excellence. Innovation. Community Service.

California Hospital Medical Center (CHMC) is a nonprofit hospital founded in downtown Los Angeles in 1887 that is here for everyone—especially children and families facing the greatest health inequities. 100% of the funds raised will help modernize our campus, including the construction of a four-story patient tower with expanded emergency, trauma, maternity and neonatal intensive care units that will open in early 2023. Your support will help CHMC bridge the health disparity gap in Los Angeles and create a thriving community for all.
