

Whether you live, work or visit downtown, California Hospital Medical Center is your hospital.

Since Dr. Walter Lindley founded California Hospital Medical Center (CHMC) in 1887, it has provided high quality, affordable health care, serving all in the downtown Los Angeles area. In 2013, respected independent rating organization HealthGrades conferred Five Star classification—the highest possible—on CHMC programs in cardiology, orthopedics, and pulmonary medicine.

CHMC is making a difference in the lives of people in the heart of Los Angeles.

Several years ago, an oncoming vehicle crashed at full speed into Catherine Round, an accomplished ballet performer and instructor. She wasn't sure she would ever be able to dance again. But after receiving emergency surgery and extensive rehabilitation at CHMC, she returned to ballet. "I'm so grateful for the care I received," she said. "What better way to 'pay it forward' than by letting others know about this wonderful hospital that helps people get back on their feet."

ANNUAL GIVING SOCIETY

*Making a Difference Every Day
in the Heart of Los Angeles*

CHMC Foundation's Annual Giving Society is a network of friends who, through their annual gifts, provide exceptional leadership in support of the programs of California Hospital Medical Center.

This group is comprised of loyal friends who set exemplary standards of giving and contribute \$500 or more annually to the hospital. Society members receive special recognition and exclusive event invitations – but more important, they enjoy knowing their gifts help CHMC maintain and improve the level of excellence and innovation that has defined California Hospital since 1887.

Your generosity allows CHMC Foundation to raise, manage and distribute funds to support the mission and values of California Hospital Medical Center.

“California Hospital is unique among its peers, in that it considers transformational community health and wellness at the center of its mission and ministry.”

Phillip C. Hill,
CHMC Community Board Chair

California Hospital's unique services include the following:

- Our **J. Thomas McCarthy Center for Emergency Services and Leavey Trauma Center**, the largest, private Level II Trauma Center in California, which cares for over 70,000 patients annually with the latest in life-saving technology
- Our **Los Angeles Center for Heart Health** – including the **Stroke Center**, which has been awarded Advanced Certification by The Joint Commission
- Our **Keith P. Russell Womens' Birthing Center**, which ranks among the top three in the state for outstanding outcomes in our **Neonatal Intensive Care Unit**
- Our comprehensive, one-stop site for women's services provided at the **Los Angeles Center for Women's Health**
- Our **Hope Street Family Center**, an award-winning model family resource center serving over 2,000 children and families with innovative programs designed to educate children, strengthen families and transform community.

When you make a gift to our Foundation, you truly make a difference in the lives of our patients and their families. **One hundred percent of your gift will go directly to the medical center in support of programs and services.**

“I am writing you to congratulate you and your hospital's staff on achieving the near impossible in contemporary medicine—translating your mission into compassionate, intelligent, kind behaviors toward patients and family in your hospital.”

Karen Kuehl, MD, MPH,
grandparent of a patient
